- **Teaching InSpec** to various meetups including DevOps Live!, Mid-Cities DevOps, Women Who Code, DFW Azure Users Group, & Config Management Camp
- **Arrested DevOps** podcast two-time guest
- **Teaching Chef Essentials & Intermediate**

SKILLS

Chef	**InSpec**	**Test Kitchen**	**GitHub**
Bash	**Linux**	**Docker**	**Terraform**
ARM	**Jenkins**	**TeamCity**	

WORK EXPERIENCE

- **8.2016 – present**
10th Magnitude | Cloud Automation Engineer
 - Leveraging DevOps technologies to help businesses achieve transformation in the cloud
 - Developing company-wide DevOpsSec training strategy to bring about maximum effectiveness for our clients and utilization in our organization
 - Introducing “compliance as code” to clients and building security into Azure migrations when it was not previously considered
- **10.2014 – 8.2017**
Reclaimed Home Interiors | Owner | Entrepreneur
 - Iteratively incorporated Lean Startup principles through experimentation of various business models, including subleasing retail, online store, full-bid jobs, and subscription
 - Discerning the client’s needs, ideas, and desires and designing a space that feels truly theirs by creating innovative and cultivated designs with thoughtful planning and efficient execution
- **01.2008 – present**
Freelance Writer/Blogger
 - Writing unique content and managing overall content of websites, including website design, photography, copyediting, and working with other writers to maintain a voice and presence
- **09. 2002 – 05.2006**
Brock – Hedgpeth Casting | Casting Director
 - Collaborated with directors, producers, and talent agents across 4 states to coordinate auditions for up to hundreds of actors per role, performing large-scale, multi-city searches for projects such as *Invincible*, *Comanche Moon*, and *American Idol*
 - Discerned the needs of the director/ producers and accurately and efficiently communicated those objectives to the talent/agents
 - Commercial casting for Walmart, Dove Products, US Postal Service, Tom Thumb, Home Depot, CVS
 - Locations Casting for Academy Award Winning Best Picture of 2007 – *There Will Be Blood*
